

## 2015 Kindergarten Orientation

Jiggi Public School

*Learning for Life*

### Orientation Days

Each Wednesday of Term 4

9.00am – 3.00pm

**Providing quality educational experiences in a positive, happy and caring environment.**

### Strong community involvement

Jiggi Public School is one of the focal points of community life in the valley and attracts outstanding levels of support and involvement from parents and community members. We encourage parents to be active participants in school activities and we value their input into their child's education. Students, parents, teachers and the wider community work together, as a team to enhance learning experiences for students. The Jiggi P&C meets monthly.

### Excellent facilities

Jiggi Public School is surrounded by beautiful countryside while still providing the most up to date technology in our classroom. All classrooms are equipped with electronic Smartboards and each class has a group set of ipads. There is a computer room, a well – stocked library and sports shed. The setup of each class allows for flexible learning spaces in a variety of environments. Resources exist for hands on learning including games, art materials and science equipment. A school canteen is run each Wednesday.

### Innovative and challenging educational programs

- Individualised programs that meet the needs of all students
- Opportunities for leadership roles such as Student Representative Council
- Highly qualified teachers committed to ongoing learning
- Opportunities to represent Jiggi Public School at inter-school sporting competitions
- Big Scrub Public Speaking Competition
- Major school production where all students are participants
- Live Life Well at School program
- Jiggi Public School is a Positive Behaviour for Learning School
