Opal's

Performing Arts

The time has come! Tonight we perform our dance "That's How We Do". The students have been working hard and I know they will do us all proud. Your child should have a note with the final details about tonight. This was handed out either yesterday or today. This outlines where to meet us at the beginning and end of the concert. We will see you there by 6pm.

Diamonds

Some great writing is happening in the Diamonds room. We are learning that the most important part of writing is thinking and planning our ideas. We have focused on using adjectives to make our stories more interesting and practiced writing questions and using talking marks. Here are some of our stories we published about our pets.

Goodluck Jiggi Gems at the Performing Arts tonight. You can be very proud of your efforts.

Many thanks

My Pet

Goldie is my pet fish. She lives outside in a big fish tank. She flashes in the sunlight. Goldie jumps out of the water sometimes. I feed her fish food and bread most days.

She swims around and she swims around and around.

She is a good friend.

My cat Sam.

I have a cat called Sam. He lives inside my house.

His colour is light brown and white.

He is a silly cat because he jumps up on his cat tower.

Sam likes to eat canned cat food and dried food.

I like to pat him.

Malley and Yakka

My favourite pets are Yakka and Malley. I like them because I like to pat and play with them.

When Malley gets scared she likes to follow dad around.

When dad is away she will follow Digby and I around.

She sometimes sits on the couch at night.

They eat dog biscuits and 'Identabones'
