Students of the Week

Joey: for always trying his best in every activity

Livinia - Striving to be an achiever in reading.

Calendar

Term 1

Week 5 - 2017

Friday 24 th February	Ten Pin Bowling 1.15 to 2.15
----------------------------------	---------------------------------

Week 6- 2017

Wednesday 1 st March	Life Education Larnook School
Friday 3 rd March	Ten Pin Bowling 1.15 to 2.15

Dear parents and carers,

Good luck to Johan who will be representing the Terania District at today's zone swimming carnival.

We have been having fantastic fun playing bowling for sport. I've put some great videos on our secret facebook account. If you don't have access to this, please contact me.

Life Education

Wednesday 1st March

Next Wednesday we will all be travelling to Larnook to attend the Life Education van. The cost for this is \$15 and includes bus travel, the van and lunch. Please ensure your child has returned their permission note along with payment.

Michelle Stroud-Watts
Principal

Ten Pin Bowling

What a wonderful opportunity to learn the skills and to enjoy the second session of bowling tomorrow. One more session remains the following week. Judging by the enthusiasm and comments received, Jiggi Gems are thoroughly embracing these opportunities.

Jiggi Gems Art for the week.

Yesterday we drew the outline of a Rainbow Fish in pencil and white crayon. We used pastels and crayons to colour it in and a wash over the whole picture. The Rainbow fish is the story of a fish that was proud and beautiful but eventually learnt to share his gifts with others.

Diamonds News – Boat Making

Some things are just worth the mess? The magnificent Diamonds have been working for some time designing and organising the materials they needed to create 'a boat that would float'. The children carefully considered how their boat would move through the water whether a 'paddle' on an elastic band, oars, a motor or sails and then they 'set sail' making their inventions. Much experimenting, conversation, sharing of ideas, patience and trial and error went on in the classroom when suddenly, spontaneously the Diamonds began singing "If your happy and you know it....! – a wonderful indicator of how the children were feeling.

We will trial the boats in a big tub of water tomorrow generating even more anticipation and excitement. In the afternoon we collected a variety of objects from inside the room and out in our playground and explored and categorized things that floated and sank.
