Happy Birthday

Happy Birthday wishes to Miley who is celebrating her birthday this week.

Calendar

Week 2- 2017

Friday 28th July

AFL

Week 3- 2017

Tuesday 1st August

Terania Athletics
Carnival

Dear Parents and Carers,

Welcome back to another exciting term. It was wonderful to see all our Jiggi Gem's smiling faces after a restful break. It's always amazing to see how much they grow in just two weeks.

Diamond's room

We have been busy getting back into our routine of Literacy groups. Mrs Close and I are taking between 2 and 4 students at a time focusing on phonics, reading, grammar and comprehension. Our school pencils seem to go missing very quickly. We ask that all students have their own led pencils, a sharpener, rubber and pencil case. Please make sure these items are clearly labelled with your child's name. If all students have their own gear, it will save time during learning sessions.

Auskick

We will begin Auskick lessons next Friday. This is our third year running this program and has proven to be very popular with all students. Please complete the attached permission note and return to school by next Thursday. **Cost is \$20** per student. With this payment, students will receive a pack full of Auskick goodies. This was originally \$70 a student but has been subsidised by a school sporting grant that we received this term.

Terania District Athletics Carnival

Tuesday 1st August

Our annual Terania Athletics carnival for all our Jiggi Gems will be held on Tuesday week 3. Parents are encouraged to attend and help cheer on our competitors. Students will need to be there at 8.45am. Mrs Close will be supervising our students on that day so please let her know if you are dropping your child off and if you take your child with you. Mrs Toniello will be doing a very important track job and I will unfortunately be away that day. There will be a canteen operating but your child can pack their own lunch and recess if they prefer. Please make sure your child is in full school uniform and have plenty of water. The carnival should be finished by 1.30pm.

Public Speaking Competition

We will be having our annual Rivers Public Speaking semi-final here at Jiggi on Wednesday 6th September. Before that, we need to choose two students from stage 2 and two students from stage 3 to represent our school. Teachers will be looking at how engaging the speech is for the audience, how well the students connect with the audience using their voice, gestures and eye contact and the content of the speech. A list of the topics is attached. Students will have time during class to plan and write speeches.

Market Day

Our students will be making necklaces to sell at the market day along with potted azalea seedlings. We are asking for any donations of tube stock pots please.

Robotics Grant

A very big congratulations to Angela and the P&C who have been successful in winning a \$4 500 ClubGRANTS Category 1 from the Lismore workers Club and Lismore City Council. The teachers and I are planning some exciting robotics activities for our Gems to engage them as 21st Century learners. Thank you to Angela, Lismore City Council and the Lismore Workers Club. What a great opportunity.

Mrs Stroud-Watts
Principal

Opals

All Opals need to replenish their school supplies. A reminder that they all need several HB pencils, a glue stick, a pair of scissors & a red pen.

Excursion

The Stage 2 & Stage 3 excursion to Brisbane will be here before we know it. Please ensure payments are made by the due date.

Performing Arts

Attached is the Parent Agreement form that the Performing Arts Committee asks all parents and carers to read and sign. These guidelines outline the expectations during the festival period. Please read, sign and return these to school by next Friday 28th July.

Year 6

Next Friday morning Richmond River High School's 2018 Year 7 advisor will visit our students.

Mrs Toniello

Term 3 Science with Mrs Close

Both classes will be investigating the parts of the human body, functions of these parts such as our senses. We will be learning about various internal systems such as skeleton, respiratory, circulation and digestive systems. Incorporating some hands-on, design & making and dissecting.

Could the Opals please bring in to school a clean can (baked beans – 390g size) with a shiny inside and a rubber band that fits firmly around it.

Thankyou

Mrs Close

Tuckshop

Rostered for duty on Monday 24th July 2017

Baking – Sarah Lupton

Serving – Sarah Lupton

Community Fun Day Saturday 12th August at Jiggi Hall.

This is a major fundraiser for our school and the preschool combined and replaces Jiggi Fair this year. We will need helpers on the day to cook and serve food, as well as run games and activities. It should be a fantastic day for everyone. Please invite your friends and family from outside Jiggi to join in the fun!

Thank you to those who have offered their skills to be auctioned off in the skills auction. There are some amazing prizes up for grabs from talented folks in the community!

We would like to auction off a wheelbarrow full of alcohol as well. If each family could bring in a bottle of something to contribute it will be a great prize!

We are also asking for a block of chocolate from each family as part of a game where the chocolate will be the prizes. Donations can be left at the office or given to Angela.

There will be a white elephant stall too, so come along on the day with your preloved treasures to sell!

Pie Drive

Pies have been ordered and will be delivered at school this Friday 21st July. If you placed an order, please come along from 2.30pm to collect your pies from the tuck shop. Time it with school pick up if you are collecting your child on Friday.

Bunnings BBQ

Saturday 29th July. This is coming up quickly. I have heard from a number of people who are away that weekend but need to hear from everyone so I know who is available. This is a great money spinner and just takes a couple of hours each selling sausages. Times can be swapped if the roster doesn't work for where your name has been placed.

Please contact Angela 0459 230 978.

Many thanks,
P & C
