Friday 2<sup>nd</sup> March 2018 - School Swimming Summit 1 - 2pm

### Week 6

Friday 9<sup>th</sup> March 2018 - School Swimming Summit 1 - 2pm

### Week 7

Wednesday 14<sup>th</sup> March P&C Meeting 5pm  
Thursday 15<sup>th</sup> March Year 6 shirt money due.  
Friday 16<sup>th</sup> March 2018 - School Swimming Summit 1 - 2pm

Dear Parents and Carers,

### Zone Swimming Carnival

Congratulations to all our competitors who participated in the zone carnival yesterday. Congratulations to Tobi who has qualified to swim in the Regional carnival next week.

**Alice** – I participated in the PP5 relay and came last of 7 schools.

**Lilly-Eva** – I participated in the junior Terania relay and came 4<sup>th</sup> out of 8.

**Brighton** – I came 1st in the backstroke heat and 13<sup>th</sup> out of 35 schools.

**Chace** – I came 2<sup>nd</sup> in the freestyle and last in the butterfly.

**Johan** –I came 2<sup>nd</sup> in backstroke heat and last in the PP5 relay.

**Austin** – I came 3<sup>rd</sup> in the Terania senior boys relay.

**Tobi** – I came 1<sup>st</sup> in the freestyle final and first in the butterfly heat. I was also in the backstroke and PP5 relay.

**Digby L** – I was in the PP5 relay, 50m freestyle, 50m breaststroke, 50 metre back stroke – I beat my time by 2 sec.

**Syd** – I came 3<sup>rd</sup> in my relay heat and last in the final. My team came last.

### Stage 3 activity day

On Tuesday our Year 5 and 6 students attended a Rivers College Activity Day at Richmond River Campus. There were 9 small schools there. The students were split into small groups and rotated through a wide variety of activities, including sport, science, woodwork, Japanese, English & music. The students all had a great day and were exceptionally well behaved.

My favourite thing we did on Tuesday was...

- Science – we looked at boiling oil and liquid nitrogen – Digby J
- Science – we explored electricity, liquid nitrogen & we got to use a machine that shocked your fingers – Joey
- Woodwork – we drilled a hole in a piece of wood to make a candle holder. I also enjoyed agriculture because we got to see a calf and pregnant cow. I fed a cow and patted its neck – Erin.
- Woodcarving – we made a nice candle holder – Blayke.
- Woodwork – we made a candle holder – Asha
- Science – we played with liquid nitrogen and poured it over a balloon. Then we watched electricity travel through paper – Austin.
- Music – we got to create a song. I also enjoyed Science because we made Greek fire explosion and we dipped a flower in liquid nitrogen to make it shatter when touched – Georgia.

- Science – we got to learn about Greek fire and how they heated oil and put it in a clay bowl to fire at their enemies – Lilly-Eva.
- Woodwork – The high schoolers helped us make a candle holder and it was fun – Alice
- Sport – there were different people to play with there – Digby L
- Sport – I enjoyed playing Dodgeball and the Science was really cool – Johan.

### Northern Rivers Sports Trials

During Terms 1 and 2 there are opportunities for our students to attend sports trials. These sports trials are to be selected in the Northern Rivers teams and then attend further trials for North Coast team selection. Trials are not always held in Lismore. They can be held anywhere within the zone. I will put dates and sports in the newsletter as they arise. If you are interested in sending your child you will need to let me know so I can send home notes. Please note these trials are for students who play the particular sport or may be talented enough to perform. They need to have a good understanding of the game.

Northern River Trials :

AFL at Yamba - Friday 9<sup>th</sup> March.

Tennis at Lismore – Tuesday 13<sup>th</sup> March

Basketball at Goonellabah – Friday 23<sup>rd</sup> March.

These trials are different to our Terania teams.

### **Year 6 Shirts – Reminder**

Money needs to be sent to the school by Thursday 15<sup>th</sup> March so the order can be placed. There will be no ordering after this date.

Mrs Toniello

**The Big Crunch** was held today with almost all children bringing a vegetable for crunch and sip. Well done to everyone, we've seen lots of lovely vegies every morning. Keep up the **Healthy** snacks!

**Clean up Australia Day** – officially this is on the weekend but we will be holding our clean up Jiggi today.

**Playground tidy-up** – Thanks to Askel, Joseph, Hannah, Chiron, Darcy, Asha, Callam & Digby J for helping to rake, weed and level the bark

mulch/softfall area yesterday. Also thank you to Darcy, Miley, Askel and Natalie for preparing and planting in the vegie garden.

**Diamonds** – a request for each of the children in the Diamonds to bring in a big P.E.T. drink bottle, with lid, for craft. Thanks.

**Nude Food Day** – next Wednesday we will have our first Nude Food Day when we ask that the children's recess and lunch is packaged without any waste – no wrappers, gladwrap etc. The bins will be removed for the day. Many of you already provide lunch boxes for your children that have no rubbish at all. It's wonderful to see the reusable containers and segmented lunch boxes that so many children use.

Thank you  
Mrs Close

### Tuckshop

Rostered for duty on Thursday 8<sup>th</sup> March 2018

Bake – Anna/Christen

Serve – Kirsty/Colin

Sushi available next week orders to be placed by Tuesday - see order attached.

### Excursion

On Wednesday 21<sup>st</sup> the whole school went to the Botanical Gardens, waste facility and Rotary Park. We went to the waste facility and we looked at bobcats moving and sorting out the recycling and waste.

Then we went to the Botanical Gardens to look at plants.

Next we played games and made paper pots to plant seeds in.

Finally we went to Rotary Park and saw flying foxes and a python in the dry rainforest.

I really enjoyed playing the recycle games

Sol Patroni-Oort

Year 2
