Dear Parents and Carers,

### Swimming Carnival

All students from years 3 to 6 will be attending our Terania District Swimming carnival tomorrow at the Lismore Memorial Baths. Start time is 9.30am and finishing time is approximately 1.30pm. Entry cost is: Students \$4.40 Spectators \$3. It will save time at the entrance if you have the correct change. There will be 30 metre races for those students who **do not** race in the 50 metre event for that stroke. Your child will need a drink bottle, lunch and recess or money for the canteen, broad brimmed hat, uniform, swimmers, goggles, towel, sunscreen. Please remind your child that they are responsible for their sun safety. I will have the flag set up in the grand stand for us all to sit near. I'm looking forward to a fun day with lots of cheering from our Jiggi Gems! Yay! Go Jiggi!

**School swimming**

16<sup>th</sup> February to 23<sup>rd</sup> March

Our school swimming starts next Friday for 6 weeks for all students from kindergarten to year 6. We will leave on the bus at 12.15pm and return to school by 2.45pm. Your child will need their swimmers, a towel and goggles in a bag with their name marked clearly on it. They will get changed into their swimmers here at school and get out of their swimmers when they get back to school. If you have any questions about this program please contact me. Cost is \$15 per student. That's \$15 for 6 swimming lessons and a bus ride. Thanks to the P&C for subsidising this.

**Student health**

We have had a reported case of Impetigo (school sores). Attached to this newsletter is information regarding this infection. If you suspect your child has impetigo, please seek medical advice and treat accordingly.

**Book Club**

Due 14<sup>th</sup> February.

**P&C**

Our next P&C meeting will be on Wednesday 14<sup>th</sup> February at 5pm. Everyone is welcome.

**Job Chart** – This year the students will be allocated different jobs to do in the classroom to help look after our things and be responsible.

**Science** – this term we are doing “Kids Care” which is about looking after our environment, recycling and reducing waste. Part of this will include an excursion to the Lismore Waste Facility in week 4 (please return permission note asap) I'd also like to get the vegie garden prepared and planted for use.

**Art** – We are learning about printing using different items. Last week we did leaf prints which we then used to cover our science books – they look lovely! We will be printing our library bags in about week 5, so could all Diamonds please bring in a plain

coloured cotton bag/pillow slip that will be suitable to print and use for library books. Thankyou.

Excursion to Lismore Waste Facility.

- Wednesday 21<sup>st</sup> February
- Students need to take recess, lunch, waterbottles, hats & wear their uniforms
- Students will be taking part in a tour of the facility, recycling games and a guided tour around the botanic gardens.

Lismore Council are subsidising the bus so there is no cost for students.

**Opals News**

This week in the Opal's class we have been doing some singing and started a 'project-based learning' assignment about travelling to Australia's neighbouring countries. At the end of the term, we will present our project with our team by creating travel brochures to be placed on a decorated table for the country we research. And in singing, we have been practising a song called 'This Is Me' from the movie 'The Greatest Showman'.
