Opal's sport

Friday 27th July- Permission note

Next term there is a very exciting opportunity for our students in years 4,5 and 6 to travel to Lismore on several Fridays to participate in sport with other local schools. This is a great way to make friends who they will be attending high school with and to play team sports. We have a sporting grant that we will use to fund this. This will start on the first Friday and go until week 6 next term.

A reminder that we can't let your child get into anyone's car without your permission. If there are changes in the afternoon please contact the office.

Bunnings – have very generously donated a new vegie garden bed and seedlings to the school. The children helped to assemble the bed and plant the seedlings last week. We are looking forward to being able to use the produce in some cooking lessons or use in the canteen. There are other items that Bunnings have provided for our school garden improvements and we will see these over the coming months.

A huge thankyou to Amelia and the Bunnings company!
