Performing Arts

A reminder tickets went on sale last Monday at the Lismore Workers Club.

Costumes

- Boys will need black shorts
- Girls will need black tights just below knee length.

Performing Arts Rehearsal Day

Monday 3rd September is our rehearsal day for our Performing Arts Festival and we decided to take advantage of being in town. We have planned a special creative arts day.

We will leave school at 9 am and head into town. At 9.30 we will be visiting Muse Contemporary Gallery run by Bek Davies. Currently on display is an artist who has drawn still life pictures using kitchen items as her stimulus.

After the gallery we will be visiting the Lismore library where we will participate in a few activities and enjoy a tour of the facilities. We will head to the Workers Club around 11.15 to rehearse our dance on stage and watch our students in the small school choir.

We will return to school by approximately 2pm. It is extremely important that every child is at school on this day as it is our only day to rehearse on the stage before our performance on the Wednesday night.

Diamonds News

As part of our science unit, “Our Needs”, the students are going to design and construct some type of shelter-human or other animal. They may need to bring some materials from home to build with. They will know what they need when they have completed their design sheet in the next week or so. Other materials will be supplied by the school.
