Friday 23<sup>rd</sup> August

Rivers Sporting  
Challenge – Opals

Friday 23<sup>rd</sup>

Tuckshop

11.10am (Lunch)

2pm (Recess)

Dear Parents and Carers,

What a tremendous day we have had today! All the students in their incredible dress ups and the fantastic guest speakers. Thank you to all the parents and guests who gave up their time to come into the school. A special thank you goes to Paul, Dan, Kerry and Kirsty as our parent guest speakers and Lismore Mayor Isaac Smith, Jason Honeyman and Peter Flannery.

I wish Joey, Lilly-Eva and Georgia all the best as they head off to creative arts camp next week. We can't wait to hear your stories about your great adventures.

### **Canteen changes on a Friday**

The canteen will still go ahead on Fridays. The change will be that students with a lunch order will have it during the first break and then on return from Lismore, they can purchase their recess snack.

### **School hats**

A quick reminder that students need to ensure that they bring their hats to school to wear during outside activity times, especially as we head into Lismore for The Rivers Sporting Challenge on a Friday.

### **Jiggi Public Speaking**

Our in-school Public Speaking competition will be held on Tuesday 10<sup>th</sup> September. A list of topics are attached to the newsletter. Kindergarten to Year 4 will have the same topics.

Laura Cromptvoets  
Relieving Principal

### **Performing Arts News**

We are very busy practising our dance, and of course we look amazing as usual. For new parents/carers, the Performing Arts Festival is a showcase of talent from schools in the Lismore area and an opportunity for our students to perform on a large stage in front of an audience. It is important that you purchase tickets from the Lismore Workers Club as mentioned below so you don't miss out.

The performance night starts at 6.30pm and is usually finished no later than 8/8.15pm. There are a few things I need to share with you in regards to the upcoming concert.

### **Our performance**

- We will perform on the Wednesday night, 4<sup>th</sup> September
- Costumes – our dance is Crazy Youngsters so we are wanting to look crazy and bright coloured.
  - Boys are to wear denim jeans, preferably with rips in them. The op shop is a great, cheap place to find clean, old jeans. I am hoping to source coloured singlets. Boys can wear coloured hairspray or caps worn backwards.
  - Girls will wear long, full length, black tights but we are wanting to cut small holes in them so I can tie coloured ribbons on them. Once again the op shop is a good place to find clean black tights or cheap ones from Big W/K Mart. I am hoping to source coloured singlets. Girls will wear their hair up, teased all crazy with coloured ribbons or hairspray.
  - We may look at crazy socks but probably no shoes.
  - Costumes will need to be at school by Wednesday 28<sup>th</sup> August to finalise them.

### **Ticket sales**

- Tickets go on sale Monday 12<sup>th</sup> August
- Purchase tickets from the front door of the Lismore Workers Club OR online at [www.lismoreworkers.com.au](http://www.lismoreworkers.com.au) by credit card and print tickets off at home OR over the phone at Lismore Workers Club ph: 6621 7401
- There is no seating plan on the night

### **Extra Information**

- Please return your Parent Agreement asap.
- Small School's Choir will perform on Wednesday night
- Please contact me at school if there are any questions.

\*\*\* Small Schools Choir students will have a rehearsal at Lismore Public School on Tuesday 20<sup>th</sup> August at 1pm. Parents, a note will come home for

this but please be advised that this will involve private transport.

### **Opals News**

This week has been a great week. Finally we have had time in our classroom to begin our learning journey for Term 3.

On Monday we began our reading groups and literacy sessions, focusing on informative texts. In Visual Arts we are looking at influential artists, including Picasso and Matisse, and we are finishing off our 'Sugar' unit in PD Health.

Our Stage 2 Maths group have been looking at money and calculating the different denominations. We have also performed simple calculations to work out change.

### **Opals - Rivers Sporting Challenge**

This Friday is the beginning of our weekly sport where we travel into town and play 3 different sports against other schools. This is a non-competitive competition, encouraging all students to have a go at new team sports. This year we will be playing touch football, netball and t-ball. We will play each sport for two weeks.

Students will need to make sure they pack a drink bottle and their school hat.

The Diamonds will also travel into town this year and participate in sport activities lead by Mrs Toniello and Ms Crompvoets. Please make sure the permission notes are returned by Thursday this week.

### **Terania Athletics**

Friday was a fantastic day with everyone competing and showing great sportsmanship. The Jiggi Gems held their heads high as they marched around the oval, ready for a day of running, jumping and throwing. There was lots of yelling as our runners raced to the finish line, not just from the students I believe.

Congratulations to all the Opals and Diamonds who competed on the day and had a go. It was great to see so many children in red cross the finish line with a smile on their faces.

A huge congratulations to Joseph and Natalie who were Junior Boys and Juvenile Girls Champions. I am still waiting to hear who has made it to zone and will let you know as soon as I find out. The

zone carnival is on Thursday 22<sup>nd</sup> August in Lismore.

Mrs Toniello  
Classroom Teacher

### **Opals**

**Geography** – We have started work on biomes. Students have created soundscapes in groups after revisiting the golden record of Voyager, which has the sounds of earth for intelligent alien life to listen to.

### **Diamonds**

**History** – We are continuing to look at the co-existence of indigenous people with megafauna, and the changing landscape as the last ice age concluded.

Ms Nyhree Kearns

### **Diamonds**

**Maths** – We have been looking at patterns this week in maths, using colours and shapes to make patterns, and investigating patterns in numbers.

**Science** – This week in Science the Diamonds are starting to look at our seasons and how the sun affects the earth.

Mrs Allison Houlden

### **Tuckshop**

Rostered for **Friday 9<sup>th</sup> August 2019**

**Baking** – Sarah & Kirsty

**Serving** – Sandy & Phil

11.10am - Lunch

2pm – Recess
